DUTY, HONOR, COUNTRY
JUNE 29, 2010

ESGR Mission:

The Employer Support of the Guard and Reserve, ESGR, is a Department of Defense volunteer organization. We provide free education, consultation, and if necessary mediation for employers of Guard and Reserve employees. ESGR's goal is to support America's employers who share their employees with the nation to ensure our national security.

About the Freedom Award:

Secretary of Defense William Perry instituted the Secretary of Defense employer support Freedom Award in 1996 under the auspices of the National Committee for Employer Support of the Guard and Reserve. The award publicly recognizes employers, who were nominated by their National Guard and Reserve employees for exceptional support above the federal law requirements. This prestigious award is the highest in a series of Department of Defense employer awards that include the Patriot Award, the Above and Beyond Award, Seven Seals Award and the Pro-Patria Award.
